

Online Tip Sheets Offer Quick Information with Best Practices

You will find topics about breast cancer screening, osteoporosis management, and more all in one place

It's easy to access quality improvement tip sheets online. Some tip sheets include Healthcare Effectiveness Data and Information Set (HEDIS®) guidance. They are updated and posted on the website throughout the year and include new topics.

Below is a list of the most current tip sheets available to you. We encourage you to check them out.

- 21-829, Breast Cancer Screening
- 22-287, Colorectal Cancer Screening Tip Sheet
- 22-374, Learn How to Improve Your HEDIS Rates for Transitions of Care Measure
- 22-164, Osteoporosis Management in Women – Learn How to Improve Your HEDIS Rates for Osteoporosis Management (HEDIS)

How to access the tip sheets

To find the tip sheets online, go to www.wellcare.com/California/Providers/Bulletins and search by the tip sheet number and title.
